Around the World in Seventy-Two Days

Graphic Arts Books “She was part of the ‘stunt girl’ movement that was very important in the 1880s and 1890s as these big, mass-circulation yellow journalism papers came into the fore.” –Brooke Kroeger *Around the World in Seventy-Two Days* (1890) is a travel narrative by American investigative journalist Nellie Bly. Proposed as a recreation of the journey undertaken by Phileas Fogg in Jules Verne’s *Around the World in Eighty Days* (1873), Bly’s journey was covered in Joseph Pulitzer’s popular newspaper the *New York World*, inspiring countless others to attempt to surpass her record. At the time, readers at home were encouraged to estimate the hour and day of Bly’s arrival, and a popular board game was released in commemoration of her undertaking. Embarking from Hoboken, noted investigative journalist Nellie Bly began a voyage that would take her around the globe. Bringing only a change of clothes, money, and a small travel bag, Bly travelled by steamship and train through England, France—where she met Jules Verne—Italy, the Suez Canal, Ceylon, Singapore, Hong Kong, and Japan. Sending progress reports via telegraph, she made small reports back home while recording her experiences for publication upon her return. Despite several setbacks due to travel delays in Asia, Bly managed to beat her estimated arrival time by several days despite making unplanned detours, such as visiting a Chinese leper colony, along the way. Unbeknownst to Bly, her trip had inspired *Cosmopolitan*’s Elizabeth Brisland to make a similar circumnavigation beginning on the exact day, launching a series of copycat adventures by ambitious voyagers over the next few decades. Despite being surrounded by this air of popularity and competition, however, Bly took care to make her journey worthwhile, showcasing her skill as a reporter and true pioneer of investigative journalism. With a beautifully designed cover and professionally typeset manuscript, this edition of Nellie Bly’s *Around the World in Seventy-Two Days* is a classic work of American travel literature reimagined for modern readers.

The Incorporative Consciousness of Robert Bly

Victoria Frenkel Harris

SIU Press Victoria Frenkel Harris traces the aesthetic journey of poet Robert Bly from his early structured works of mystical imagery and lyrical landscapes to his recent explorations of intimate relationships and male socialization. Examining the various ways Bly’s prose poems articulate his opposition to the Vietnam War and his recent writings manipulate more formal patterns in detailing the intricacies of human relationships, Harris labels this evolution in form, subject, and imagery the incorporative consciousness, incorporative because it assimilates Jungian psychological categories, international poetic traditions, and a compelling breadth of topics. Harris relies in part on contemporary feminist theory to throw revealing new light on Bly’s recent works. Though sympathetic to Bly, Harris finds that—in spite of his affirmation of the interaction of psychic, creative, and intellectual energies in both sexes—the poet’s later, erotic poems tend to objectify women in counterproductive ways. Bly’s idealization of woman as a Jungian universal, Harris contends, can blind him toward actual women. Harris is at her best as she delimits with balance and precision the full complexity of the poet’s work.

Talking Into the Ear of a Donkey

Poems

W. W. Norton & Company The poet conducts a self-examination of his life in poems that often address aging, memory, marriage, and living and dying well.

The Content Marketing Handbook

How to Double the Results of Your Marketing Campaigns

More Than True

The Wisdom of Fairy Tales

Henry Holt and Company National Book Award-winning poet and author of the internationally best-selling *Iron John*, Robert Bly revisits a selection of fairy tales and examines how these enduring narratives capture the essence of human nature. Few forms of storytelling have greater power to captivate the human mind than fairy tales, but where do these tales originate from, and what do they mean? Celebrated poet and bestselling author Robert Bly has been asking these questions throughout his career. Here Bly looks at six tales that have stood the test of time and have captivated the poet for decades, from "The Six Swans" to "The Frog Prince." Drawing on his own creative genius, and the work of a range of thinkers from Kirkegaard and Yeats to Freud and Jung, Bly turns these stories over in his mind to bring new meaning and illumination to these timeless tales. Along with illustrations of each story, the book features some of Bly's unpublished poetry, which peppers his lyric prose and offers a look inside the mind of an American master of letters in the twilight of his singular career.

Make Every Second Count

Time Management Tips and Techniques for More Success with Less Stress

Red Wheel/Weiser Make Every Second Count goes beyond the usual time-management books to bring you a broad range of strategies and tactics—dozens of proven methods to get more done in less time. You'll discover how to maximize your time by setting priorities, create useful schedules, and overcome procrastination, how to boost your energy level and productivity with proper diet, exercise, and sleep. You'll also learn how using the latest technology can enable you to manage information and communicate more effectively and efficiently. Make Every Second Count will show you: How to eliminate bad habits and unnecessary activities that slow you down. The painless way to handle paperwork. How to master the art of saying no. The three types of to-do lists every person should keep. Make Every Second Count also contains time-tested advice on goal setting, business travel, social networking, mobile technology, planning systems, and time management in the home.

Become a Recognized Authority in Your Field in 60 Days Or Less!

Alpha Books How to Become a Recognized Authority in Your Field-In 60 Days or Less! -- There are dozens of books on public relations, self promotion, and publicity -- but no books that focus on positioning an individual as the recognized authority in his or her field. -- The author is a living example of someone who has become a recognized expert in his field through the very advice he covers in this book. -- Leading the Pack uses both the author's personal experiences in becoming an expert in his field as well as examples of well-known figures who have obtained "leader" status. Leading the Pack is the first book to show the average practitioner in any field how, through a deliberate plan of self-promotion, they too can quickly elevate themselves to expert status-and become the preferred source of advice and service in their market, and eliminate the need to make cold calls and do the selling ordinary vendors do. The book is based on both the author's personal experience in becoming the recognized leader in his niche (direct marketing) as well as case histories of others who have established "leader" status using the methods outlined in the book.

Lorca & Jimenez

Selected Poems

Loving a Woman in Two Worlds

Perennial Press In this new collection of poems, the National Book Award-winning poet explores the meaning of mature love in a sustained meditation on faithfulness, on the sustenance of intimacy, and on grief as the door to deep emotion

Airmail

The Letters of Robert Bly and Tomas Transtromer

Graywolf Press The illuminating letters of the National Book Award winning poet Robert Bly and the Nobel Prize winning poet Tomas Tranströmer One day in spring 1964, the young American poet Robert Bly left his rural farmhouse and drove 150 miles to the University of Minnesota library in Minneapolis to obtain the latest book by the young Swedish poet Tomas Tranströmer. When Bly returned home that evening with a copy of Tranströmer's The Half-Finished Heaven, he found a letter waiting for him from its author. With this remarkable coincidence as its beginning, what followed was a vibrant correspondence between two poets who would become essential contributors to global literature. Airmail collects more than 290 letters, written from 1964 until 1990, when Tranströmer suffered a stroke that has left him partially paralyzed and diminished his capacity to write. Across their correspondence, the two poets are profoundly engaged with each other and with the larger world: the Vietnam War, European and American elections, and the struggles of affording a life as a writer. Airmail also illuminates the work of translation as Bly began to render Tranströmer's poetry into English and Tranströmer began to translate Bly's poetry into Swedish. Their collaboration quickly turned into a friendship that has lasted fifty years. Insightful, brilliant, and often funny, Airmail provides a rare portrait of two artists who have become integral to each other's particular genius. This publication marks the first time letters by Bly and Tranströmer have been made available in the United States.

The Digital Marketing Handbook

A Step-By-Step Guide to Creating Websites That Sell

Entrepreneur Press What's Your Website's ROI? Written to help marketers—from the Fortune 1000 to small business owners and solopreneurs—turn their websites from cost centers to profit centers, The Digital Marketing Handbook by legendary copywriting pioneer and marketing expert Robert W. We Have Tasted Heaven Many Times

New and Selected Poems

Harper Robert Bly has had many roles in his illustrious career. He is a chronicler and mentor of young poets, many of whom he presented in his series of edited books -- The Fifties, The Sixties, and The Seventies. He was a leader of the antiwar movement, founded the men's movement virtually by himself, and published the bestseller *Iron John*. All through these activities, he has continued to deepen his own poetry, a vigorous voice in a period of more academic wordsmiths. Now, in *Eating the Honey of Words*, he presents the best poems he has written in the last three decades, including favorites from his earlier books such as *Silence in the Snowy Fields*, *The Man in the Black Coat Turns*, and *Loving a Woman in Too Worlds*. Joining these timeless classics are a number of poems from these past decades never published before, as well as a complete section of marvelous new poems from the last two years. This book is a chance to reread, in a fresh setting, many of Bly's most famous early poems, and in some instances to see how they have changed over the years. In this new selection, one can see more clearly than ever the powerful undercurrents that carry this poetry from one book to the next. *Eating the Honey of Words* is a brilliant collection that confirms Robert Bly's role as one of America's preeminent poets writing today. The Face in the Toyota Suppose you see a face in a Toyota One day, and you fall in love with that face, And it is Her, and the world rushes by Like dust blown down a Montana street. And you fall upward into some deep hole, And you can't tell God from a grain of sand. And your life is changed, except that now you Overlook even more than you did before; And these ignored things come to bury you, And you are crushed, and your parents Can't help anymore, and the woman in the Toyota Becomes a part of the world that you don't see. And now the grain of sand becomes sand again, And you stand on some mountain road weeping.

The Winged Energy of Delight

Selected Translations

Harper Collins Robert Bly had always been amazingly prescient in his choice of poets to translate. The poetry he chose supplied qualities that were lacking from the literary culture of this country. For the first time Robert Bly's brilliant translations, from several languages, have been brought together in one book. Here, in *The Winged Energy of Delight*, the poems of twenty-two poets, some renowned, others lesser known, are brought together. At a time when editors and readers knew only Eliot and Pound, Robert Bly introduced the earthy wildness of Pablo Neruda and Cesar Vallejo and the sober grief of Trakl, as well as the elegance of Jiménez and Tranströmer. He also published high-spirited versions of Kabir and Rumi, and Mirabai, which had considerable influence on the wide culture of the 1970s and 1980s. Bly's clear translations of Rilke attracted many new readers to the poet, and his versions of Machado have become models of silence and depth. He continues to bring fresh and amazing poets into English, most recently Rolf Jacobsen, Miguel Hernandez, Francis Ponge, and the nineteenth-century Indian poet Ghalib. As Kenneth Rexroth has said, Robert Bly "is one of the leaders of a poetic revival which has returned American literature to the world community."

Ten Days in a Mad-House (EasyRead Comfort Edition)

ReadHowYouWant.com SINCE my experiences in Blackwell's Island Insane Asylum were published in the World I have received hundreds of letters in regard to it. The edition containing my story long since ran out, and I have been prevailed upon to allow it to be published in book form, to satisfy the hundreds who are yet asking for copies. I am happy to be able to state as a result of my visit to the asylum and the exposures consequent thereon, that the City of New York has appropriated \$1,000,000 more per annum than ever before for the care of the insane. So I have at least the satisfaction of knowing that the poor unfortunates will be the better cared for because of my work.

The World as a Lie

Macmillan Examines the author's life by chronicling his early childhood, family life, World War II experiences, and rise to fame as a popular poet and novelist.

Ten Days in a Mad House

Graphic Arts Books Ten Days in a Mad-House (1887) is a book by American investigative journalist Nellie Bly. For her first assignment for Joseph Pulitzer's famed New York World newspaper, Bly went undercover as a patient at a notorious insane asylum on Blackwell's Island. Spending ten days there, she recorded the abuses and neglect she witnessed, turning her research into a sensational two-part story for the New York World later published as Ten Days in a Mad-House. Checking into a New York boardinghouse under a false identity, Bly began acting in a disturbed, unsettling manner, prompting the police to be summoned. In a courtroom the next morning, she claimed to be suffering from amnesia, leading to her diagnosis as insane from several doctors. Sent to the Women's Lunatic Asylum, Bly spent ten days witnessing and experiencing rampant abuse and neglect. There, she noticed that many of the patients, who were constantly beaten and belittled by violent nurses and staff members, seemed perfectly sane or showed signs of having their conditions severely worsened during their time at the asylum. Served spoiled food, forced to live in squalor, and given ice-cold baths by unsympathetic attendants, the patients she met during her stay seemed as though abandoned by a city that had sent them there for the supposed purpose of healing. Showcasing her skill as a reporter and true pioneer of investigative journalism, Bly published her story to a captivated and inspired audience, setting in motion a process of reform that would change the city's approach to its asylums for the better. With a beautifully designed cover and professionally typeset manuscript, this edition of Nellie Bly's Ten Days in a Mad-House is a classic work of American investigative journalism reimagined for modern readers.
