SOCIAL ASSISTANCE IN ALBANIA

DECENTRALIZATION AND TARGETED TRANSFERS

World Bank Publications Albania provides a small amount of social assistance to nearly 20% of its population through a system which allows a degree of community discretion in determining distribution. This study investigates the poverty targeting of this program. It indicates that relative to other safety net programs in low income countries, social assistance in Albania is fairly well targeted to the poor.

8 BALL CHICKS

Anchor Dismissed by the police as mere adjuncts to or gofers for male gangs, girl gang members are in fact often as emotionally closed off and dangerous as their male counterparts. Carrying razor blades in their mouths and guns in their jackets for defense, they initiate drive-by shootings, carry out car jackings, stomp outsiders who stumble onto or dare to enter the neighborhood, viciously retaliate against other gangs and ferociously guard their home turf. But Sikes also captures the differences that distinguish girl gangs-abortion, teen pregnancy and teen motherhood, endless beatings and the humiliation of being forced to have sex with a lineup of male gangbangers during initiation, haphazardly raising kids in a household of drugs and

guns with a part-time boyfriend off gangbanging himself. Veteran journalist Gini Sikes spends a year in the ghettos following the lives of several key gang members in South Central Los Angeles, San Antonio, and Milwaukee. In *8 Ball Chicks*, we discover the fear and desperate desire for respect and status that drive girls into gangs in the first place--and the dreams and ambitions that occasionally help them to escape the catch-22 of their existence.

COLOSSIANS AND PHILEMON

COMPLETION AND RECONCILIATION IN CHRIST

Thomas Nelson “Jesus is the only way” can be an unpopular stand for Christians to take in our contemporary culture. But dangerous false teachings against Jesus Christ are not new. The Colossian church dealt with these same threats. When Paul learned about this danger, he wrote the church a message of warning. Colossians is full of dramatic and powerful passages coupled with rich instructions that defend Christ’s deity and His sufficiency to reconcile men to God. Paul’s message is a reminder that believers—then and now—are complete in Christ. Paul also wrote a personal letter to Philemon, a prominent member of the Colossian church. This letter urges Philemon to forgive a former slave and thief and welcome him back as a brother in Christ. Through this real life situation, Paul teaches Philemon, as well as believers today, the importance of forgiveness. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

SUZUKI GSX-R

A LEGACY OF PERFORMANCE

David Bull Pub The first GSX-R was created in 1985 as a groundbreaking departure from the ponderous sportbikes of the day. That revolutionary motorcycle took a time-honored racing credo to heart: light is right. (And another one: It can never be too fast.) Never before had the performance and design of a race bike been so faithfully carried over to the street. In the seven generations since, Suzuki has remained true to the concept of the original GSX-R: to build the most serious, track-worthy sportbike. What's more, the company's engineers have been relentless in their pursuit to refine and improve the bike.

UGLY RONNEY

Ronney is an introverted young woman with a disgraceful appearance. She lives humbly in one of the poorest neighborhoods of Sheryl Valley, a town corrupted by the mafia in Southern California. With no diploma, she works hard in her parents' restaurant and provides voice-overs for children's animated movies during the weekend. In accordance with a long-standing family tradition, Ronney's twenty-fifth birthday celebration comes with a dare from her cousins: she must knock on the front door of the infamous Khan household. The Khans' reputation proceeds them, rumored to be in association with the mafia. But when Ronney knocks on the door, before she has the chance to run, the Khan family matriarch, Camilia, takes an interest in Ronney. Romney's lack of conventional beauty and disinterest in fashion draws Camilia in, leading her to offer Ronney the position of personal assistant to her eldest son, Yeraz, with a substantial salary at stake. It's an offer Ronney cannot refuse. To keep her job, Ronney's task is simple: do not fall in love with Yeraz. "Easy," she thinks. But what if destiny decides otherwise? Ugly Ronney is a romance in which the heroes enter the gallery of legendary lovers.
