STRANGER IN PARADISE

Penguin **An Apache hit man arrives in Paradise to find a missing girl and snuff out her mother. But his conscience is getting the best of him. If he doesn't make the hit, he'll pay for it. So might Jesse Stone, who's been enlisted to protect them all.**

STRANGERS IN PARADISE

Penguin **A woman bush pilot in Alaska finds love where she least expects it in this new novel from New York Times bestselling author Barbara Dunlop. Hailey Barosse always knew what her wealthy family expected of her: marry an affluent Georgia man, run a charitable organization, and provide her parents with two or three grandchildren. But Hailey rebelled. Instead, she moved far away from that suffocating life, and for six years she's built her independence by flying bush planes in the tiny town of Paradise, Alaska. Then a suave, handsome businessman arrives, shaking up her world and reminding her of her controlling family. Parker Hall wants to invest in her boss's airline, but Hailey doesn't trust him at all. He might be confident and charming, but she knows all about self-centered cutthroat industrialists—and Parker is one of them. Parker Hall prides himself on being a self-made entrepreneur. He earned his fortune by working day and night, expanding his gold mine and investing in new businesses that support his growing dream. His next opportunity is in Paradise, but his plans are quickly derailed by a fierce, beautiful pilot who both fights and fascinates him. The closer he gets to the feisty Hailey, the more she pushes him away. But Parker's not giving up, not on Paradise and not on Hailey. He's come a long way in life by being laser-focused on his passions, and this time is no different...**

STRANGER THAN PARADISE

Columbia University Press **A low-budget breakout film that wowed critics and audiences on its initial release, *Stranger Than Paradise* would prove to be a seminal film in the new American independent cinema movement and establish its director, Jim Jarmusch, as a hip, cult auteur. Taking inspiration from 1960s underground filmmaking, international art cinema, genre cinema, and punk culture, Jarmusch's film provides a bridge between midnight movie features and a new mode of quirky, offbeat independent filmmaking. This book probes the film's production history, initial reception, aesthetics, and legacy in order to understand its place within the cult film canon. In examining the film's cult pedigree, it explores a number of threads that fed into the film—including New York downtown culture of the early 1980s and Jarmusch's involvement in music—as well as reflecting on how the film's status has developed alongside Jarmusch's subsequent output and reputation.**

STRANGERS IN PARADISE

HOW FAMILIES ADAPT TO WEALTH ACROSS GENERATIONS

Familywealth Consulting **An astonishing fact is that the vast majority of the wealthy come from middle-class or working-class backgrounds. Born and raised in modest economic circumstances, they find themselves as adults in the wonderful but unfamiliar world of wealth, like immigrants to a new land. Their adjustment is often harder than they anticipate. Yet awaiting wealth's newcomers is an even more daunting task: how to raise children and grandchildren successfully in the family's new world of affluence. Written by a prominent wealth psychologist, *Strangers in Paradise* takes an innovative approach to the challenges facing wealth's "immigrants and natives." Combining clear reasoning with real-world stories, *Strangers in Paradise* outlines for the first time how the key process for families of wealth - like all immigrant families - is adaptation.**

STRANGERS IN THE LAND OF PARADISE

CREATION OF AN AFRICAN AMERICAN COMMUNITY IN BUFFALO, NEW YORK, 1900-1940

Indiana University Press **Now in paperback! *Strangers in the Land of Paradise: The Creation of an African American Community, Buffalo, NY, 1900-1940* Lillian Serece Williams Examines the settlement of African Americans in Buffalo during the Great Migration. "A splendid contribution to the fields of African-American and American urban, social and**

family history.... expanding the tradition that is now well underway of refuting the pathological emphasis of the prevailing ghetto studies of the 1960s and '70s." —Joe W. Trotter *Strangers in the Land of Paradise* discusses the creation of an African American community as a distinct cultural entity. It describes values and institutions that Black migrants from the South brought with them, as well as those that evolved as a result of their interaction with Blacks native to the city and the city itself. Through an examination of work, family, community organizations, and political actions, Lillian Williams explores the process by which the migrants adapted to their new environment. The lives of African Americans in Buffalo from 1900 to 1940 reveal much about race, class, and gender in the development of urban communities. Black migrant workers transformed the landscape by their mere presence, but for the most part they could not rise beyond the lowest entry-level positions. For African American women, the occupational structure was even more restricted; eventually, however, both men and women increased their earning power, and that—over time—improved life for both them and their loved ones. Lillian Serece Williams is Associate Professor of History in the Women's Studies Department and Director of the Institute for Research on Women at Albany, the State University of New York. She is editor of *Records of the National Association of Colored Women's Clubs, 1895-1992*, associate editor of *Black Women in United States History*, and author of *A Bridge to the Future: The History of Diversity in Girl Scouting*. 352 pages, 14 b&w illus., 15 maps, notes, bibl., index, 6 1/8 x 9 1/4 Blacks in the Diaspora—Darlene Clark Hine, John McCluskey, Jr., and David Barry Gaspar, general editors

A STRANGER IN PARADISE

A&C Black One cold March morning, a young woman lay dying of multiple stab wounds on her own driveway. She came through the nightmare that followed, laughing. This book describes what happened in detail. Julie Chimes tells of her out-of-body experiences during the crisis, as well as the dreams and premonitions leading up to it. She recounts the frenzied attack by a paranoid schizophrenic. She describes what it feels like to die, and then unforeseeably, to live to tell the tale.

NEW STRANGERS IN PARADISE

THE IMMIGRANT EXPERIENCE AND CONTEMPORARY AMERICAN FICTION

University Press of Kentucky *New Strangers in Paradise* offers the first in-depth account of the ways in which contemporary American fiction has been shaped by the successive generations of immigrants to reach U.S. shores. Gilbert Muller reveals how the intersections of peoples, regions, and competing cultural histories have remade the American cultural landscape in the aftermath of World War II. Muller focuses on the literature of Holocaust survivors, Chicanos, Latinos, African Caribbeans, and Asian Americans. In the quest for a new identity, each of these groups seeks the American dream and rewrites the story of what it means to be an American. *New Strangers in Paradise* explores the psychology of uprooted peoples and the relations of culture and power, addressing issues of race and ethnicity, multiculturalism and pluralism, and national and international conflicts. Examining the groups of immigrants in the cultural and historical context both of America and of the lands from which they originated, Muller argues that this "fourth wave" of immigration has led to a creative flowering in modern fiction. The book offers a fresh perspective on the writings of Vladimir Nabokov, Saul Bellow, William Styron, Maxine Hong Kingston, Amy Tan, Oscar Hijuelos, Jamaica Kincaid, Bharati Mukherjee, Rudolfo Anaya, and many others.

THE CARSON SPRINGS TRILOGY

STRANGER IN PARADISE, TASTE OF HONEY, AND WISH COME TRUE

Open Road Media Three addictive novels of romance and suspense in a small California town from the New York Times bestselling author of *The Diary and Garden of Lies*. In *Stranger in Paradise*, the first book of Eileen Goudge's bestselling Carson Springs series, an unlikely wedding upends the tranquil California town. It isn't easy to watch your daughter marry a man who's twice her age, but Samantha Kiley holds her tongue. Wes seems like a good man, and it doesn't hurt that he's also a billionaire. She has no idea that she will soon be caught up in a May-December affair of her own that will set tongues wagging and complicate her idyllic small-town life. In *A Taste of Honey*, a woman revisits a decision that changed her life three decades ago. Gerry Fitzgerald kneels before the altar, moments away from the most important decision of her life. She is about to take her vows in the sisterhood of God, and yet she is not at peace. Doubt fills her heart and she is torn with guilt. She found illicit passion in the arms of Father Jim, and now she is pregnant with the baby they conceived. Is she ready to give up on having a family? And in *Wish Come True*, a young woman fights for freedom after being arrested for the murder of her sister. The world loves Monica Vincent, and her sister Anna has always tried to love her, too. Anna's life is devoted to the Hollywood star; as her sister's personal assistant, she spends her days answering Monica's fan mail and catering to her every whim. But Monica is cruel, and when a car accident leaves her in a wheelchair, her treatment of Anna gets even worse. When Monica is found floating facedown in the swimming pool at her mansion, the police see the star's sister as the likely culprit. To keep herself from jail, Anna digs for the truth, desperate to learn who killed the sister she hated.

WHAT STRANGE PARADISE

A NOVEL

Vintage **A NEW YORK TIMES NOTABLE BOOK OF THE YEAR •** From the widely acclaimed, bestselling author of *American War*—a beautifully written, unrelentingly dramatic, and profoundly moving novel that looks at the global refugee crisis through the eyes of a child. "Told from the point of view of two children, on the ground and at sea, the story so astutely unpacks the us-versus-them dynamics of our divided world that it deserves to be an instant classic." —The New York Times Book Review More bodies have washed up on the shores of a small island. Another overfilled, ill-equipped, dilapidated ship has sunk under the weight of its too many passengers: Syrians, Ethiopians, Egyptians, Lebanese, Palestinians, all of them desperate to escape untenable lives back in their homelands. But miraculously, someone has survived the passage: nine-year-old Amir, a Syrian boy who is soon rescued by Vänna. Vänna is a teenage girl, who, despite being native to the island, experiences her own sense of homelessness in a place and among people she has come to disdain. And though Vänna and Amir are complete strangers, though they don't speak a common language, Vänna is determined to do whatever it takes to save the boy. In alternating chapters, we learn about Amir's life and how he came to be on the boat, and we follow him and the girl as they make their way toward safety. *What Strange Paradise* is the story of two children finding their way through a hostile world. But it is also a story of empathy and indifference, of hope and despair—and about the way each of those things can blind us to reality.

A STRANGER IN PARADISE

STRANGER IN PARADISE

Black Dog Pub Limited **Hew Locke: Stranger in Paradise** is a detailed monograph into the fascinating and multi-layered work of artist Hew Locke. Hew Locke uses a wide range of media, including painting, drawing, photography and sculpture and extensively using found objects and collage, Locke's work addresses recurring themes of visual

expressions of power, trophies, globalization, movement of people and the creation of cultures. His sculptural work ranges from large scale architectural constructions to vibrantly colored portraits of the Royal Family. They are constructed from everyday materials ranging from mass produced toys, souvenirs, cake decorations, sequins and plastic flowers.

Harlequin Discover the mysteries that unfold in *Stranger in Paradise* by Amanda Stevens, which was originally published by Harlequin Intrigue in 1996. When Emily planned on hyping her new B&B by republicizing a 15-year-old unsolved murder, she never dreamed the townspeople would react so bitterly. Or that attempts on her life would be part of the deal... Her life in Paradise quickly became a living hell. But then Matthew Steele blew into town... and everything changed. As Emily sized up the mysterious stranger astride his motorcycle, she found herself lost in his arresting gray eyes. Was it a mere coincidence that he resembled the alleged killer from all those years ago, or could he possibly be her knight in shining black leather?

TROUBLE IN PARADISE

Penguin Jesse Stone returns in this New York Times bestselling novel of death and deception from Robert B. Parker. Stiles Island is a wealthy and exclusive enclave separated by a bridge from the Massachusetts coast town of Paradise. James Macklin sees the Island as the ultimate investment opportunity: all he needs to do is invade it, blow the bridge, and loot the island. To realize his scheme, Macklin, along with his devoted girlfriend, Faye, assembles a crew of fellow ex-cons—all experts in their fields—including Wilson Cromartie, a fearsome Apache. James Macklin is a bad man, a very bad man. And Wilson Cromartie, known as Crow, is even worse. As Macklin plans his crime, Paradise police chief Jesse Stone has his hands full. He faces romantic entanglements in triplicate: his ex-wife, Jenn, is in the Paradise jail for assault, he's begun a new relationship with a Stiles Island realtor named Marcy Campbell, and he's still sorting out his feelings for attorney Abby Taylor. When Macklin's attack on Stiles Island is set in motion, both Marcy and Abby are put in jeopardy. As the casualties mount, it's up to Jesse to keep both women from harm.

PARADISE

Vintage The acclaimed Nobel Prize winner challenges our most fiercely held beliefs as she weaves folklore and history, memory and myth into an unforgettable meditation on race, religion, gender, and a far-off past that is ever present—in prose that soars with the rhythms, grandeur, and tragic arc of an epic poem. "They shoot the white girl first. With the rest they can take their time." So begins Toni Morrison's *Paradise*, which opens with a horrifying scene of mass violence and chronicles its genesis in an all-black small town in rural Oklahoma. Founded by the descendants of freed slaves and survivors in exodus from a hostile world, the patriarchal community of Ruby is built on righteousness, rigidly enforced moral law, and fear. But seventeen miles away, another group of exiles has gathered in a promised land of their own. And it is upon these women in flight from death and despair that nine male citizens of Ruby will lay their pain, their terror, and their murderous rage. "A fascinating story, wonderfully detailed. . . . The town is the stage for a profound and provocative debate." —Los Angeles Times

STEFANIE SCHNEIDER

STRANGER THAN PARADISE

Hatje Cantz Pub **Blotchy, overexposed, and unusually colored, Stefanie Schneider's suggestive photographs break with the conventions of the medium. The expired Polaroid film she uses distorts in a surreal way things we are familiar with from road movies: motel signs from the fifties, palm trees against a cyan-blue sky, candy-colored limousines, a gas station in the middle of nowhere. A graduate of the Folkwang School in Essen, Schneider populates these settings with young people who seem oddly lost; her colorful staging of normality seems to be subliminally threatened or threatening. Director Marc Forster had good reason to integrate Schneider's photographs into Stay, his new thriller starring Ewan McGregor and Naomi Watts. Stranger than Paradise, Schneider's latest reminiscence of Hollywood, was published in conjunction with the film's release.**
